

DBIA-WPR ARIZONA CHAPTER

Higher Education Design-Build Update from the Association of University Architects

Wednesday, June 24, 2026

11:30am - 1:00pm

ASU Skysong Building #3, Room 135, Synergy II, 1365 N. Scottsdale Road, Scottsdale, AZ 85257

SPEAKER:

Joe Lisiewski

DBIA-WPR AZ Chapter Owners Committee Chair, Assistant Vice President, University Architect, Arizona State University

Join DBIA-WPR Arizona Chapter for a lunch program. Joe Lisiewski, Architect at Arizona State University, will brief the audience on what he learned at a recent Association of University Architects Conference. He will discuss the higher education perception of design-build, including their opinion on the advantages and disadvantages of design build. Joe will also provide his own insight from his personal experiences with design-build projects at Arizona State University.

Register online at:
