Join DBIA-WPR Bay Chapter for a lunch program. Early last year DBIA-WPR Bay Area Chapter hosted a panel to discuss the promise of AB 706, which in 2024 authorized public agency owners to use Progressive Design-Build project delivery. After a slow ramp-up, several of projects are now underway. Join us to talk to public owner representatives about their experiences procuring Progressive Design-Build teams and working with them using this collaborative project delivery method. **Hosted by Bay Chapter 2026 Corporate Sponsors.**
