SMARTER DECISIONS STRONGER PROJECTS THE OWNER ADVISOR ADVANTAGE

OWNER ADVISOR ROLE

August 13, 2026

ABOUT OUR PROGRAM

Join CMAA NorCal Chapter and DBIA WPR Sacramento Chapter for a conversation which digs into the questions that matter: How do certain skillsets translate into — and elevate — the Owner Advisor role? When does an owner truly need an Owner Advisor, and when can they go it alone? How does the right advisor help an owner become an "Owner of Choice" who attracts the best design-builders rather than scaring them off?
