

DBIA-WPR OWNERS' COUNCIL WEBINAR SPECIALTY & TRADE PARTNERS IN DESIGN-BUILD

Join DBIA-WPR Owners' Council for session #8 of the 2019 Owners Council Webinar Series, which is built from the DBIA's Manual of Practice. This year's theme is "Design-Build Done Right." A highly experienced practitioner will present each of the 9 topics. Septembers presentation will be hosted by Victor Sanvido of Southland Industries and Mike Korthals of Nevell Group. It will be a broad view into the key role subcontractors play in design-build? How do design-build subs make decisions on contracting in design-build or engage as the engineer of record. How should owners evaluate sub-trades in selection process and are sub's compromised by a GC's contracting strategy? What are the best values subs can bring to a project? How are sub's best utilized in Progressive Design-Build?
