

DBIA-WPR LA/OC CHAPTER YOUNG PROFESSIONALS MIXER

Join DBIA-WPR LA/OC Chapter Young Professionals for a Mixer. LA/OC Young Professionals are **back** and hosting the same event in both Los Angeles and Orange County so that more people have an opportunity to attend depending on where they live and work. This will be a great opportunity to meet with other YPs from across the region to network and also be part of the conversation on what the YP Committee will plan going forward. Non Young Professionals (>35) are also encouraged to attend and you must bring at least two Young Professionals from your team with you to introduce them to the organization!
