

DBIA-WPR LA/OC CHAPTER SHINING LIGHT ON LIGHTING DESIGN & PLANNING

Join DBIA-WPR LA/OC Chapter for a social and a 90-minute program focused on lighting and controls in Design-Build projects. We'll break down current technologies, key design considerations, and the often-overlooked procurement process—clarifying how lighting moves from design to installation.

The session includes a seated overview and hands-on rotations at three interactive stations. Drinks, appetizers, and continued networking will follow.

2025 LA/OC CHAPTER EVENT

WEDNESDAY, SEPTEMBER 10, 2025

5:00pm – 7:30pm
