

DBIA-WPR NEVADA CHAPTER LUNCHEON THE ROLE OF COLLABORATION IN SUCCESSFUL PROJECT DELIVERY

Join DBIA-WPR Nevada Chapter for a lunch program. This DBIA-WPR panel presentation on the role of collaboration in successful project delivery is a must-attend for professionals in the construction industry. This session will delve into the critical importance of establishing early conditions of satisfaction and the benefits of partnering early with design-assist type trade partners. The panel will feature key stakeholders, including the ownership of the West Henderson Hospital, who will share firsthand insights and experiences.

Why should you attend? The construction industry is evolving, and the traditional methods of project delivery are being challenged by more integrated and collaborative approaches. This presentation will highlight how early collaboration and clear communication can lead to more efficient project delivery, reduced costs, and enhanced project outcomes. By attending, you'll gain valuable insights into how to implement these strategies in your own projects, ensuring you stay ahead in a competitive market.

Don't miss this opportunity to learn from industry leaders and gain a competitive edge by understanding the power of collaboration in construction. Join us to discover how you can transform your project delivery approach and achieve greater success in your projects.
