

# DBIA-WPR BAY CHAPTER LUNCH NAVIGATING PROP 1 FUNDING FOR BEHAVIORAL HEALTH FACILITIES

Join DBIA-WPR Bay Chapter for a lunch program. Your organization has just secured its first round of BHCIP (or Prop 1) funding—an exciting milestone that signals both opportunity and community responsibility. Now that the award letter is in hand, the real work begins. How do you translate this investment into a fully realized facility that delivers care to your community?

This educational program is designed specifically for design, construction, and capital project leaders who are preparing to navigate the full lifecycle of BHCIP funding—from initial award through opening day. We'll break down the practical steps, decision points, and compliance expectations that shape the journey, helping Owners understand how to align funding requirements with project delivery realities.
