

DBIA-WPR LA/OC CHAPTER OWNERS' ROUNDTABLE

Join DBIA-WPR LA/OC Chapter for an afternoon of connection and collaboration. The DBIA-WPR LA/OC Chapter is bringing together SoCal's leading Owners to talk about what's keeping them up at night, and they want your ideas. This isn't your typical panel. It's an interactive, high-energy event designed to spark real conversations, build relationships, and deliver value you can take back to your projects.

You'll sit down with Owners, dig into their biggest challenges, and share your perspective. It's your chance to influence strategies, showcase your expertise, and walk away with insights you can use.

We'll kick things off with general networking, then jump into three quick, focused sessions. Choose from up to ten Owner-led discussion tables, so you spend time where it matters most. Each session is designed to keep things moving and make sure you leave with ideas, contacts, and next steps. Don't miss this chance to be part of the conversation on smarter project delivery.
