Sheriff Technology and Information Center

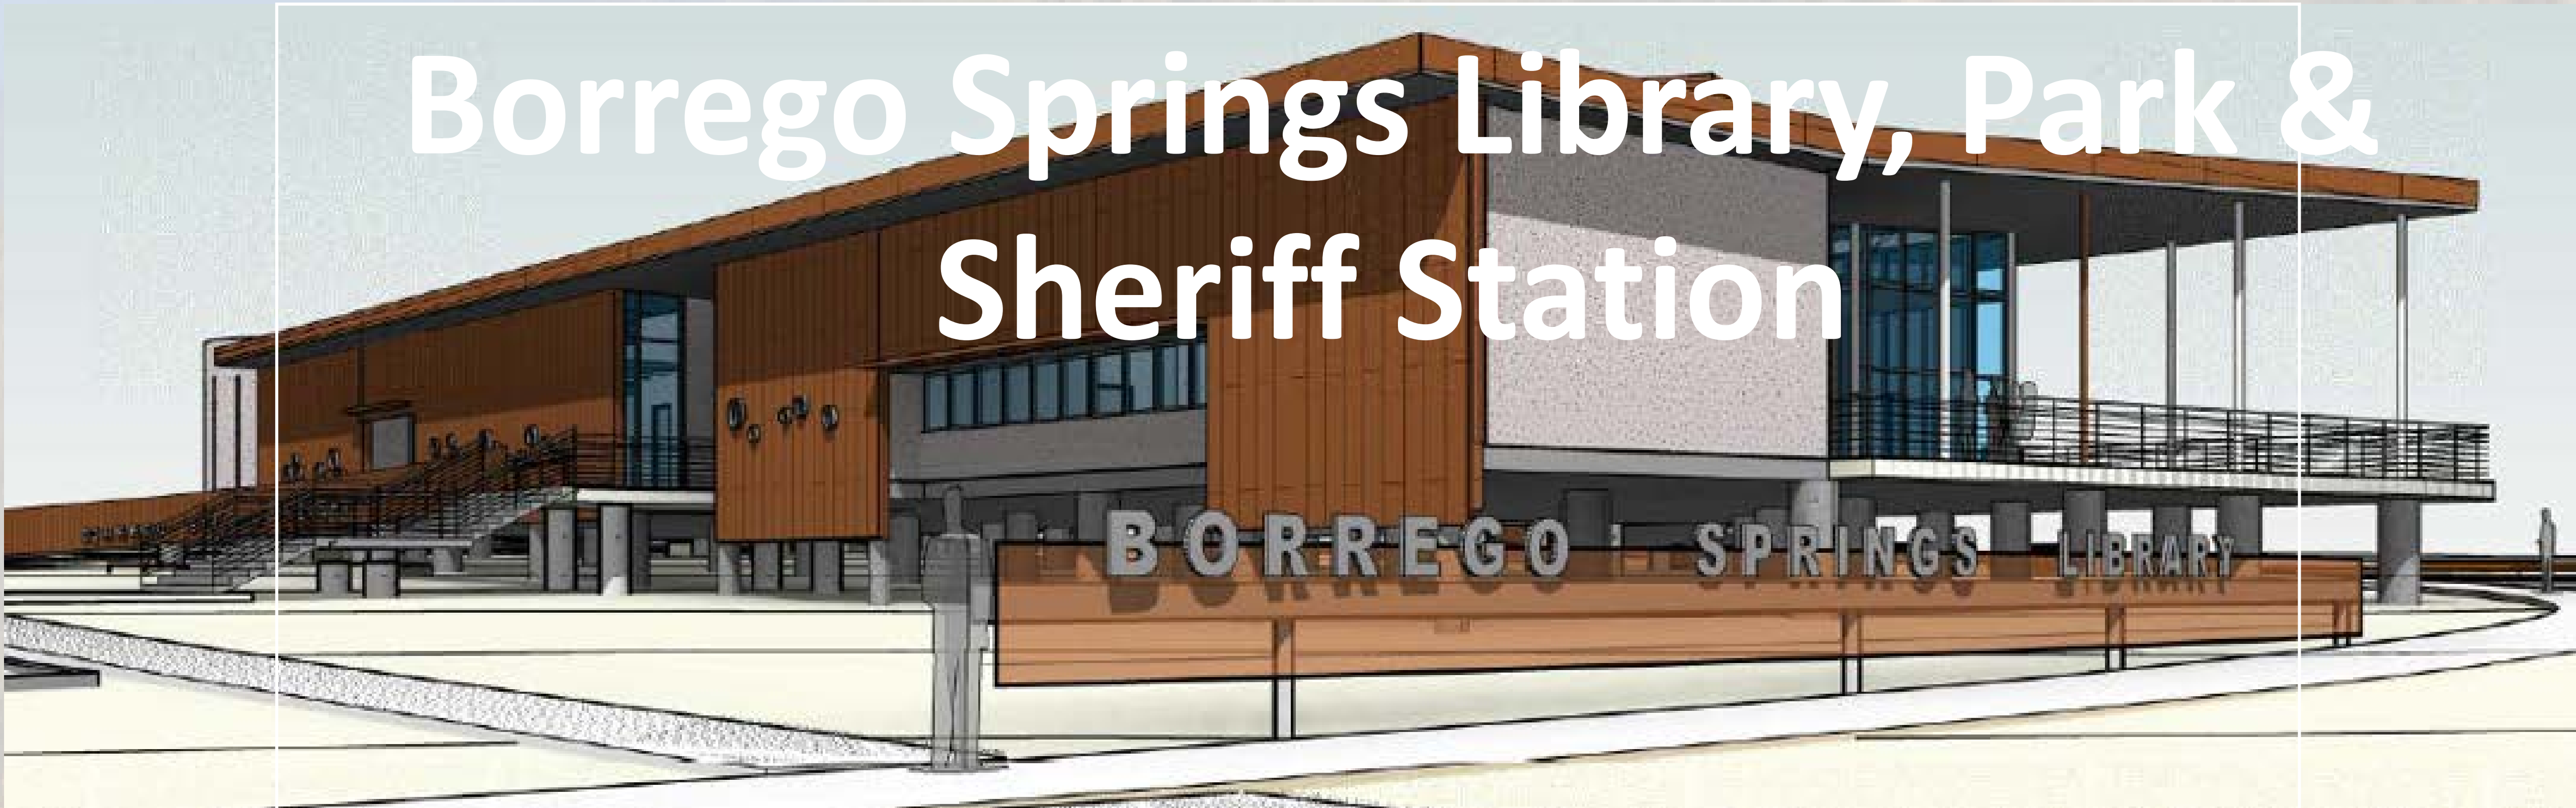

An aerial architectural rendering of a large, modern industrial or commercial building complex. The main building has a grey roof with several large rectangular sections of dark blue solar panels. To the left of the main building is a smaller white building, also with solar panels on its roof. A large parking lot is situated to the left of the main building, filled with various cars and trucks. The surrounding area includes landscaped green spaces with trees and shrubs. The text "ARCC East County" is overlaid in the center of the image.

Future Projects

- Southeastern LWC
- Lakeside Library
- SDJJC
- County Live Well Campus

An architectural rendering of a modern high-rise building at dusk. The building features a glass facade with warm interior lights visible through the windows. It has a distinctive stepped-top design. In the foreground, there is a plaza with trees and a few people. To the right, a lower, multi-story building is also visible. The sky is a mix of blue and purple hues.
