

THE CRITICAL ROLE OF TRADE CONTRACTORS IN DESIGN-BUILD PROJECTS

How do specialty trade contractors successfully deliver a design build project to the benefit of the Owner? The panel will discuss owner's expectations and the approaches that a trade contractor uses to meet those expectations. Topics will include the advantages and disadvantages of in house design and third party design; incentive structures within design build; project challenges under design build; risk management; and lessons learned. Lastly, the panel open for a discussion to address participant Q&A.
