Design-Build - 101

This year-long series of webinars is designed to introduce the concepts of Design-Build Done Right® found in DBIA's Manual of Practice.

These are topics directly relevant to “Owner” – purchasers of Design-Build Services.

Each topic is a stand-alone presentation by industry professionals. The intention is to enrich the understanding of Design-Build with a broader group of Owners and Owner Representatives

Design-Build - 101: A Year-Long Webinar Series

- February 7: Progressive Design-Build
- March 14: Design Management in Design-Build
- April 18: Developing Performance Base Requirements for Design-Build Projects
- May 9: Design Build Acquisition and Contract Incentives - An Owners Perspective
- June 27: Design-Build Process Utilizing Negotiated Selection
- July 18: BIM & Lean in Design-Build
- August 15: Lean – How to maximize your Design-Build Project
- September 13: Specialty and Trade Partners
- October 23: TBD
