

# PG&E's Focus on Design-Build Best Practices for its Capital Program

Given DBIA's focus on design-build delivery methods and effective integration of design and construction teams, hear veteran industry leader Ken Buck share his perspective as an owner representative on PG&E's recent migration to utilize the design build delivery process for their future capital program needs.

## Thursday, May 19, 2016 at 11:30am

### LUNCH PROGRAM Doubletree Hotel, Sacramento

#### SPEAKER

**Kenneth Buck, PE, Associate, AIA LEED AP**  
Director, Program Planning and Management  
PG&E - Corporate Real Estate Strategy & Services

Ken leads the program planning and management organization responsible for a \$1B+, 5-yr capital plan to transform PG&E's 8M-SF portfolio comprised of their San Francisco headquarters, office buildings, operations centers and critical facilities. The team provides strategic business planning, real estate portfolio planning, acquisition and disposition, program design/build, operations and asset management, and creation of a corporate PMO. Ken received degrees in civil engineering and architecture from Drexel University, and an MBA in Finance from Temple University. Ken's diverse experience spans healthcare, life sciences, commercial, technology and utility/energy sectors with organizations such as Verizon, Pfizer, Amgen, LendLease and Gkkworks.
